Compartment Syndromes: Diagnosis, Treatment, and Complications

Jorma Styf

Compartment Syndromes: Diagnosis, Treatment, and Complications Jorma Styf

Written by an internationally recognized expert, this book provides a comprehensive text for physicians, nurses, and physiotherapists treating patients with acute and chronic compartment syndromes. Taking a multidisciplinary approach, the author delineates difficult material in a clear, concise manner that provides an easier understanding of this technical subject. The text includes the most current research and data on compartment syndromes. It presents in-depth coverage of acute and chronic compartment syndromes, considerations of interstitial space, intramuscular pressure recordings, and limb edema.
