Would you like to encounter a ghost, but you don't know where to look?

The answer *might* be within blocks of your own home.

In this book, you'll learn...

- How to find haunted cemeteries, no matter where you are.
- Where to begin cemetery investigations, when you don't know where to start. (Learn how Fiona identifies each cemetery's "hot spots" quickly. You can do the same thing, even if you have only 15 minutes to investigate.)
- The hints you'll find on gravestones... *if* you know where to look.
- Why the scariest parts of any cemetery aren't even in the cemetery. Discover what to look (and look out) for. Usually, the clues are hiding in plain sight.

As you read this book, you'll discover tips and tricks that -- until now -- have been the closely guarded secrets of professional investigators.

Cemeteries can be the *best* places for new and experienced researchers to find and investigate real ghosts.

Whether you're exploring haunted places with a friend or a team, or setting up a ghost-related event in a cemetery, you'll enjoy this book. In over 150 pages, with many helpful illustrations, you'll learn the very best ways to make your ghost investigation an eerie encounter with *real ghosts*.

If you're ready to discover ghosts near you, no matter where you are, *read this book*.

Note: This is the **second edition** and has been replaced by the 2015 third edition.
