## **Looking for Red** Angela Johnson

Twelve-year-old Mike -- short for Michaela -- loves the ocean. The sights, sounds, and smells of her coastal home are embedded in her very soul.

But Michaela loves her brother, Red, even more.

Then one day Red disappears. One minute he's there, the next...gone. No warning. No time to prepare. And Mike must come to terms with that loss or risk never finding comfort in what remains of the life she and her brother once shared.

### **From reader reviews:**

#### **Jerry Day:**

What do you in relation to book? It is not important along? Or just adding material if you want something to explain what yours problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question since just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this particular Looking for Red to read.

#### **Barbara Bell:**

Do you like reading a guide? Confuse to looking for your selected book? Or your book had been rare? Why so many problem for the book? But almost any people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and Looking for Red or maybe others sources were given expertise for you. After you know how the great a book, you feel would like to read more and more. Science guide was created for teacher or maybe students especially. Those guides are helping them to increase their knowledge. In different case, beside science e-book, any other book likes Looking for Red to make your spare time more colorful. Many types of book like this.

#### **Robert Jackson:**

What is your hobby? Have you heard which question when you got students? We believe that that problem was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person including reading or as reading become their hobby. You must know that reading is very important and book as to be the issue. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them is actually Looking for Red.

#### **Barbara Robbins:**

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is written or printed or highlighted from each source that will filled update of news. On this modern era like currently, many ways to get information are available for a person. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the Looking for Red when you desired it?
