Maiden Voyage Tania Aebi

What begins as the sheer desire for adventure turns into a spiritual quest as a young woman comes to terms with her family, her dreams, and her first love.

Tania Aebi was an unambitious eighteen-year-old, a bicycle messenger in New York City by day, a Lower East Side barfly at night. In short, she was going nowhere—until her father offered her a challenge: Tania could choose either a college education or a twenty-six-foot sloop. The only catch was that if she chose the sailboat, she'd have to sail around the world—alone.

She chose the boat, and for the next two and a half years and 27,000 miles, it was her home. With only her cat as companion, she discovered the wondrous beauties of the Great Barrier Reef and the death-dealing horrors of the Red Sea. She suffered through a terrifying collision with a tanker in the Mediterranean and a lightning storm off the coast of Gibraltar. And, ultimately, what began with the sheer desire for adventure turned into a spiritual quest as Tania came to terms with her troubled family life, fell in love for the first time, and—most of all—confronted her own needs, desires, dreams, and goals...

The *Maiden Voyage* provide you with a new experience in examining a book.

Jenifer Bell:

Is it you who having spare time after that spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This *Maiden Voyage* can be the solution, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?

William Patterson:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *Maiden Voyage* can make you really feel more interested to read.
