No Time to Cry Wilmer Cooksey Jr

The book covers my life growing up as a child in a poor neighborhood helping my single parent mom raise six sisters and brothers. I never lost sight of the challenges facing my family and doing whatever was necessary to help. Working after school was mandatory for our existence. I later went on to earn a BS in Electrical Engineering from Tennessee State University and and a Masters degree in Industrial Engineering from the University Of Toledo. I handled the opportunities as they presented them selves. The Corvette was suffering from poor quality and low customer satisfaction when I arrived and at my retirement we had achieved the highest quality and customer satisfaction ever experienced. August 29, 2013, I am being inducted into the Corvette Hall Of Fame of the National Corvette Museum.
