Praise for *Teen Boat!*

“While I am not the John Green who illustrated this book, I am a John Green who ABSOLUTELY LOVES the unadulterated brilliance that is *Teen Boat!*” —John Green, author of *The Fault in Our Stars*

Teen Boat has always felt different from the other kids, which makes sense, since he's the only one who can transform into a yacht. Now, just before his high school graduation, he embarks on an epic quest of self-discovery. He learns of a mysterious city called Boatlantis, where boats are at the top of the social ladder. Can it be true? Has he finally found the place where a half boy/half boat belongs? Or will he always be torn between two worlds?
