The Sealwoman

Jean Rafferty

The Sealwoman Jean Rafferty

“Longlisted for the Jerwood Fiction Uncovered award 2015. Strong feeling, uncompromising frankness” - Marina Warner. On wishing night, a seal slips from her watery domain and assumes human form on a Scottish island, but being human proves to be stranger and more complex than she'd imagined. This is an edgy modern retelling of the classic selkie tale, originally published in *The Four Marys*, a quartet of contemporary novellas drawing on Celtic history and folklore.
