### Conan: Road of Kings #3 Roy Thomas

When Conan finds a nice, out-of-the-way tavern where he can leave his female companion, Olivia, for a few hours, he imagines she'll be safe under the watchful eye of the dancing wench he paid to look after her. Unfortunately, Olivia has a big mouth when she's drinking, and news that she's royalty turns the safe oasis into a watery deathtrap seeing as how the tavern is conveniently situated over the top of an underground lake that is home to a prehistoric water dragon! Join legendary Conan scribe Roy Thomas and artists extraordinaire Mike Hawthorne and John Lucas in part 3 of the epic tale Conan: Road of Kings! Painted covers by Doug Wheatley. Conan: Road of Kings is the lead title in Dark Horse's Robert E. Howard campaign.
