Roberto J. Payró

Divertidas aventuras del nieto de Juan Moreira (Spanish Edition) Roberto J. Payró

Roberto J. Payró no quería que su protagonista remitiera a ningún político histórico en particular. Divertidas aventuras del nieto de Juan Moreira no es una novela en clave. Por el contrario, Gómez Herrera pertenece a una medianía representativa y encarna sin singularidades individuales la figura arquetípica de un político criollo en los tiempos del roquismo. ¿Cómo llegaba a formarse un político en Argentina? Con su novela, Payró intentó responder esta pregunta, que se vuelve más interesante si recordamos que Gómez Herrera no es solo un político criollo, sino también un político profesional, ubicado en la etapa de la consolidación del Estado y de la autonomización de la política. Del prólogo de Sergio Pastormerlo.
