**Jimmy Carter (The American Presidents)** Julian E. Zelizer, Arthur M. Schlesinger Jr, Sean Wilentz

**The maverick politician from Georgia who rode the post- Watergate wave into office but whose term was consumed by economic and international crises**

A peanut farmer from Georgia, Jimmy Carter rose to national power through mastering the strategy of the maverick politician. As the face of the "New South," Carter's strongest support emanated from his ability to communicate directly to voters who were disaffected by corruption in politics.

But running as an outsider was easier than governing as one, as Princeton historian Julian E. Zelizer shows in this examination of Carter's presidency. Once in power, Carter faced challenges sustaining a strong political coalition, as he focused on policies that often antagonized key Democrats, whose support he desperately needed. By 1980, Carter stood alone in the Oval Office as he confronted a battered economy, soaring oil prices, American hostages in Iran, and the Soviet invasion of Afghanistan.

Carter's unpopularity enabled Ronald Reagan to achieve a landslide victory, ushering in a conservative revolution. But during Carter's post-presidential career, he has emerged as an important voice for international diplomacy and negotiation, remaking his image as a statesman for our time.

### **From reader reviews:**

#### **Pauline Jefferson:**

Nowadays reading books are more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want really feel happy read one with theme for entertaining like comic or novel. Typically the Jimmy Carter (The American Presidents) is kind of e-book which is giving the reader capricious experience.

#### **Paul McKinney:**

People live in this new morning of lifestyle always try and and must have the time or they will get lot of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we question again, what kind of activity do you possess when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, often the book you have read will be Jimmy Carter (The American Presidents).

#### **George Privette:**

This Jimmy Carter (The American Presidents) is great e-book for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. This particular book reveal it details accurately using great plan word or we can claim no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with splendid delivering sentences. Having Jimmy Carter (The American Presidents) in your hand like obtaining the world in your arm, facts in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt which?

#### **Thomas Crittenden:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Jimmy Carter (The American Presidents) can make you experience more interested to read.
