## Migrazioni e migranti (Italian Edition) Collana Genuensis

Questi brani sono tratti dal libro “Immigrato” pubblicato nel 1991 da Salah Methnani, giovane tunisino che nel suo diario riporta speranze e disillusioni comuni a molte persone immigrate in Italia. A distanza di circa trent’anni dai primi consistenti arrivi è possibile tracciare la storia dell’immigrazione nel nostro paese, sottolineando gli sviluppi intervenuti nel corso del tempo, ciò che di buono è stato fatto, quanta strada occorre ancora percorrere.

L’Italia oramai è meta di significative immigrazioni (ce lo ricordano tristemente le cronache degli sbarchi), e anche se il numero di stranieri residenti in Italia è inferiore a quello registrato in altri paesi europei, alcuni cambiamenti nella struttura sociale sono già apprezzabili.
