The best coaches, the most effective teachers, and the strongest leaders all know this truth: If you want to build something that endures, you have to start with the basics.

That idea applies to our spiritual journey, too. The Basics will help students explore, discuss, and apply some of the core truths of the Christian faith. The truths in this series aren't called "basic" because they're childish or simplistic; they're "basic" because they're foundational and essential to leading a life that honors God.

Each week, your teenagers will explore key Scriptures that relate to these topics, discuss the significance of each biblical truth, and consider how it relates to their lives today.

*The Basics* is ideal for students who have recently become Christ-followers or for teenagers who are exploring the claims and truths of the Christian faith--but students who've been followers of Jesus for years will benefit, too.

This DVD-based curriculum covers four topics:

- Start Here: Salvation [08:13]
- The First Step: Baptism [05:29]
- Remembering the Past and Looking Forward: Communion [06:50]
- Keep Moving Forward: Next Steps [07:14]

You'll get tons of helpful materials to help you use the curriculum, including discussion guides, promotional materials, and more. All of the resources are editable and reproducible, so you can tweak away and infuse them with your ministry's unique personality!
