Teaching little ones about prayer is one of the most important responsibilities and privileges of parents and grandparents. Author Allia Zobel Nolan, creator of *The Ten Commandments for Little Ones*, shares a child-friendly journey through the Lord's Prayer to help parents create a legacy of talking to God anytime, anywhere, about anything.

Give us this day our daily bread

*Father, You always give us what we need.*

*So we pray for enough food for today.*

*You know how to take care of your children.*

*So we never have to worry.*

Clever, fun art engages children ages 3-8 while the "Dig Deeper" sections and definitions help parents nurture faith conversations with their children and a sense of how much God loves them.

This tender invitation to a life of prayer is ideal for parents and grandparents to have in their homes and to give to the children they adore.
