The Dalai Lama serves as a living symbol of holiness and selfless triumph over tribulation for people of all religious traditions-as well as those with no religious affiliation at all. This collection of daily quotations drawn from His Holiness's own writings, teachings, and interviews offers words of guidance, compassion, and peace that are as down to earth as they are rich in spirit. Suffused with endearing informality, warmth, and practicality, they cover almost every aspect of human life, secular and religious--from loneliness, suffering, anger, and everyday insecurities to happiness, intimacy, and responsibility to others. With a special foreword by His Holiness on the power of meditation and personal responsibility, *The Path to Tranquility* is a fresh and accessible spiritual treasure to return to day after day, year after year.
