"Spectacular and constantly surprising."

-Ken Burns

Written with the authority of a scholar and the vigor of a bestselling narrative historian, *The War That Killed Achilles* is a superb and utterly timely presentation of one of the timeless stories of Western civilization. As she did in *The Endurance* and *The Bounty*, *New York Times* bestselling author Caroline Alexander has taken apart a narrative we think we know and put it back together in a way that lets us see its true power. In the process, she reveals the intended theme of Homer's masterwork—the tragic lessons of war and its enduring devastation.
