## Gardener's Guide to Bulbs Christine Skelmersdale

Bulbs are always a delight for gardeners, whether used to burst freely in drifts or caught to add colour and exuberance within a border or container. This book captures that sense of joy by celebrating the potential of bulbs throughout the year. Organized into seasons, it gives practical advice on growing and - especially - choosing bulbs for the garden. Practical - how and where to grow, planting for succession. Comprehensive - detailed listing of the most common and interesting bulbs. Inspirational - ideas for the ordinary gardener and detailed reference for the more experienced. Illustrated with over 400 glorious photographs of bulbs in settings and as close-ups - this book will be a treasure house of ideas and advice for all gardeners. This lavish book provides a detailed reference to be enjoyed equally by those simply wanting to dip into its pages and those seeking a longer overview of bulbs in the garden. It is arranged into seasons and gives practical advice on growing and choosing bulbs. Gloriously illustrated with over 400 photographs of bulbs both in close-ups and in settings. Christine Skelmersdale is a leading bulb expert with over forty years experience growing and showing bulbs both commercially and privately.
