Keys to the Castle Donna Ball

The author of the Ladybug Farm series delivers an exhilarating new novel of a middle-aged woman who follows her heart to love and happiness.

When a dashing French poet swept forty-something workaholic Sara Graves off her feet, she did something completely unexpected: She married him. Then three weeks later he died, leaving her a house she can't afford to keep in a country she's never been to. Traveling to France to settle the estate, Sara is shocked to discover that her husband wasn't the impoverished poet he claimed to be- and that the estate he left her is a 400-year-old crumbling castle in the Loire Valley. Now Sara must sell Chateau Rondelais before it (not to mention her late husband's disarmingly handsome lawyer and best friend) makes her question her decision to leave-and opens her heart to change and all its unexpected possibilities.
