**Jonathan thinks his parents are normal—but he's about to see the light of day**

Nine-year-old Jonathan is convinced that sleeping during the day and waking at night is what every kid does—especially if your parents work at a blood bank all night. But when he breaks his parents' rules and sneaks outside during the daytime, he meets Tobi, a neighborhood girl who fills him in on the truth about telephones, TV, and school. Shocked at his discovery, Jonathan confronts his parents, who tell him the truth about their nocturnal life.

Determined to fit into the daytime world, he convinces his parents to let him go to school and make friends. But it isn't easy being the new kid—especially when your parents are vampires whose supplies from the blood bank are getting low. Maybe inviting his friends over wasn't such a good idea after all.
