**Psychic Warrior: The True Story of the CIA's Paranormal Espionage Programme** David Morehouse  
When David Morehouse - a highly decorated army officer - was hit by a stray bullet, he began to be plagued with visions and uncontrolled out-of-body experiences. As a consequence, he was recruited as a psychic spy for STARGATE, a highly classified programme of espionage instigated by the CIA and the US Defence Department. Trained to develop spiritual, clairvoyant capacities, he became one of a select band of 'remote viewers' in pursuit of previously unattainable political and military secrets. When Morehouse discovered that the next step in the top-secret programme was 'remote influencing' - turning 'viewers' like himself into deadly weapons - he rebelled. In his efforts to expose the programme, he and his family endured the full force of the US intelligence community's attempts to silence him. As the multi-million-dollar STARGATE scandal was exposed to the world, Morehouse himself became the enemy of the secret services...In *Psychic Warrior* one of STARGATE's 'viewers' finally reveals the extraordinary truth of this secret operation. Originally published in 1996, there is a continuing demand for David Morehouse's story in the U.K. Out of print for over a year, this new edition of *Psychic Warrior* features a new foreword by the author.
