**The Midnight Moropus** Joan Aiken

**Can Jon find a ghostly horse that's been extinct for centuries?**

Jon is a lonely orphan who lives on a farm with his adopted parents. When they ask what he'd like for his birthday, Jon knows immediately: to see the Moropus, a prehistoric horse that's big and furry, with claws on its feet instead of hooves. According to legend, it haunts the lonely moors at a waterfall that is known as Horse Force because its gushing cascade sound just like a mare's whinny.

But there's 1 problem: If Jon wants to see the ghost of the legendary creature, he has to visit Horse Force at the stroke of midnight—alone. Can he get up the courage to go there all by himself in the dead of night? Luckily there is 1 friend who can help Jon—his faithful pony Whiskers!

This ebook features illustrations by Gavin Rowe and a personal history of Joan Aiken including rare images from the author's estate.

The Midnight Moropus can be your answer as it can be read by you who have those short extra time problems.

#### **Margaret Pace:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Midnight Moropus can make you really feel more interested to read.
