They take her home, and Annika grows up in the servants' quarters of a house belonging to three eccentric Viennese professors. She is happy there, but dreams of the day when her real mother will come to find her. And sure enough, one day a glamorous stranger arrives at the door. After years of guilt and searching, Annika's mother has come to claim her daughter, who is in fact a Prussian aristocrat whose true home is a great castle. But at crumbling, spooky Spittal Annika discovers that all is not as it seems in the lives of her new-found family . . .
