## **The Virtues of Aging (Library of Contemporary Thought) Jimmy Carter**

"We are not alone in our worry about both the physical aspect of aging and the prejudice that exists toward the elderly, which is similar to racism or sexism. What makes it different is that the prejudice also exists among those of us who are either within this group or rapidly approaching it. When I have mentioned the title of this book to a few people, most of them responded, 'Virtues? What could possibly be good about growing old?' The most obvious answer, of course, is to consider the alternative to aging. But there are plenty of other good answers--many based on our personal experiences and observations. "
