## **Klaus (Vagabonds)** Allan Massie

Klaus Mann, son of Thomas and bold political activist, strove beyond his father's shadow to become a talented author. Klaus was an exile, forced abroad while the Nazis defiled his homeland; a homosexual in a time of bigotry and intolerance; a heroin addict slithering between recovery and relapse. Above all he was a writer. Allan Massie vividly imagines Klaus's final days - trailing from café to bar in the haze of his various vices, replaying a lifetime of affairs and relationships while he toils over an unfinished manuscript. Encounters with family, old flames and famous literary figures reveal the roots of his fragile state. References to *Mephisto*, his most famous work and the battle for its German publication expose the bitter fall-out with Gustaf Gründgens, his brother-in-law and ex-lover. Massie uses compassion, affection and subtle prose to lead us into Klaus's mind and reveal the dashed hopes and inner turmoil of a flawed, singular character. Beyond the addictions and entanglements, he explores one writer's struggle for identity and recognition in a time of political and personal crisis.
