So You're Thinking About Kidney Transplantation Md, FACP Dr. Mark K. Wedel

With a perspective written from both sides of the scalpel, Dr. Wedel once cared for kidney transplant patients and then took his turn on the receiving end of a kidney transplant. In the process of making the transition from physician to patient, Dr. Wedel experienced firsthand the difficulty of assembling all the information required to put into place a comprehensive game plan. Frankly written and comfortably conversational, *So You're Thinking About Kidney Transplantation* provides fundamental information to aid in preparing patients and their families for the extraordinary and often daunting journey ahead. The kidney transplant journey is marathon long. *"So You're Thinking About Kidney Transplantation: A Patient & Family Guide"* is designed to ease the information burden of those who are just beginning their transplant process. These people deserve to begin their adventure with a confidence equal to that with which they'll complete their transplant odyssey. Early education and a thorough overview can accomplish that.
