## The Backwoods Of Canada Catharine Parr Traill

A compilation of letters originally written to her mother over the course of two and a half years, Catharine Parr Traill's *The Backwoods of Canada* is an intimate and telling look at pioneer life in Upper Canada.

Originally published in 1836, Traill's memoir details her journey with genuine charm and good cheer, even during difficult times. Thanks to its remarkable observations on Canadian class and economy, Traill's story remains an important and essential telling of Canadian history.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
