How to Pass Standard Grade Chemistry offers a comprehensive guide aimed mainly at General and Credit candidates. No book can guarantee an examination pass, but - like all our titles in the Hodder Gibson How To Pass series - this book combines an overview of the course syllabus and exam requirements, as well as a guide to revision techniques and advice on sitting the examination itself. Finally, the series offers unique insights into what markers are actually looking for, so that users of this book will avoid unnecessary mistakes - and should gain those extra marks that are so essential to moving up a grade...
