**The Winters in Bloom: A Novel** Lisa Tucker

*In bestselling author Lisa Tucker's latest, a family discovers that it's only when the walls between the present and past crumble that the future can bloom.*

Together for over a decade, Kyra and David Winter are happier than they ever thought they could be. They have a comfortable home, stable careers, and a young son, Michael, whom they love more than anything. Yet because of their complicated histories, Kyra and David have always feared that this domestic bliss couldn't last - that the life they created was destined to be disrupted. And on one perfectly average summer day, it is: Michael disappears from his own backyard.

The only question is whose past has finally caught up with them: David feels sure that Michael was taken by his troubled ex-wife, while Kyra believes the kidnapper must be someone from her estranged family, someone she betrayed years ago.

As the Winters embark on a journey of time and memory to find Michael, they will be forced to admit these suspicions, revealing secrets about themselves they've always kept hidden. But they will also have a chance to discover that it's not too late to have the family they've dreamed of; that even if the world is full of risks, as long as they have hope, the future can bloom.

Lyrical, wise, and witty, *The Winters in Bloom* is Lisa Tucker's most optimistic work to date. This enchanting, life-affirming story will charm readers and leave them full of wonder at the stubborn strength of the human heart.
