A Bear and His Boy Sean Bryan

When a bear named Mack wakes up with a boy on his back, we know instantly that we're back in the droll and sweetly wacky world created by Sean Bryan and Tom Murphy in their first two highly successful picture books about a bunny-wearing boy and his sister Claire, who wakes up with a gator on her hair. Like *A Boy and His Bunny* and *A Girl and Her Gator*, this new picture book will entertain young children and their parents, and put smiles on the faces of their grandparents too.
