## Proverbs: Wisdom that Works (Preaching the Word) Raymond C. Ortlund Jr.

How exactly does one become wise? Pastor and teacher Ray Ortlund points out that the wisdom of God does not stand aloof, as if it were unattainable. Instead, he shows that wisdom graciously moves toward us, into our real world where we live and struggle day by day. Wisdom offers us her very best, if only we will listen. After all, “Wisdom cries aloud in the street, in the markets she raises her voice,” and, if wisdom troubles herself to yell, there must be a reason to listen and a means to hear.

Ortlund unpacks the book of Proverbs in twenty-one straightforward sermons, providing a biblical worldview that opens up the higher meaning of money, sex, and power, as well as that of the daily routines of an average life. Drawing relevant parallels from ancient culture to present day, he helps the reader understand how the book of Proverbs is practical help for normal people going through everyday life. Most importantly, Ortlund shows how the Proverbs point to Jesus and his counsel for the perplexed, his strength for the defeated, his warning to the proud, his mercy for the broken. With careful treatment of the Scriptures and uncomplicated language, *Proverbs: Wisdom that Works* fills the vacuum between the layman’s experience and the exegetical depth of many commentaries.
