**Tudo pelo trabalho livre! Trabalhadores e conflitos no pós-abolição (Portuguese Edition)** Robério Santos Souza

Robério Souza aborda a vida dos trabalhadores ferroviários (negros, em sua maioria) no período pós-abolição e nos anos iniciais do período republicano. Acompanha a luta pelos direitos e conquistas sociais, os movimentos trabalhistas, os conflitos e a organização da classe. Apesar de ter como ponto de partida o contexto baiano, na construção da estrada de ferro da Bahia ao São Francisco, esta obra traz reflexões globais sobre o fim do escravismo e a liberdade dos trabalhadores.
