West of Tomorrow Dirk B. Sayers

"Change hunts us down in our sleep..."

Fifteen years after leaving the Corps, retired Marine Colonel Clay Conover has a successful corporate career and a long term plan. Those plans, however, did not take into account Sheera Prasad. Young, hungry and ambitious, she threatens to derail not only his career but his life. In the struggle that follows, Clay must choose between the ethical high road or cave in to the ambiguity of self-serving rationalization in our age of flexible ethics and shifting paradigms. West of Tomorrow is a story of corporate intrigue, betrayal, misplaced love and the phoenix living in all of us.

50% of all royalties from West of Tomorrow will be donated to the Disabled American Veterans.
