Language and Hegemony in Gramsci (Reading Gramsci) Peter Ives

Language and Hegemony in Gramsci introduces Gramsci's social and political thought through his writings on language. It shows how his focus on language illuminates his central ideas such as hegemony, organic and traditional intellectuals, passive revolution, civil society and subalternity. Peter Ives explores Gramsci's concern with language from his university studies in linguistics to his last prison notebook. Hegemony has been seen as Gramsci's most important contribution, but without knowledge of its linguistic roots, it is often misunderstood.

This book places Gramsci's ideas within the linguistically influenced social theory of the twentieth century. It summarizes some of the major ideas of Ferdinand de Saussure, Ludwig Wittgenstein, language philosophy and post-structuralism in relation to Gramsci's position. By paying great attention to the linguistic underpinnings of Gramsci's Marxism, Language and Hegemony in Gramsci shows how his theorization of power, language and politics address issues raised by post-modernism and the work of Michel Foucault, Jacques Derrida, Chantal Mouffe, and Ernesto Laclau.

You can have new activity to spend your whole day by reading through a book. Ugh, think reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smart phone. Like Language and Hegemony in Gramsci (Reading Gramsci) which is having the e-book version. So , why not try out this book? Let's view.

Heather Robertson:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Language and Hegemony in Gramsci (Reading Gramsci) can make you truly feel more interested to read.
