Necroscope: Defilers Brian Lumley

Jake Cutter is reluctantly learning how to be a Necroscope--how to use the Mobius continuum to travel instantaneously from place to place, how to talk to the dead--but dead humans don't like him much. It seems Jake's got a hitchhiker named Korath. Since Korath holds the key to the Mobius equations, Jake can't just kick him out . . . though he's certainly trying.

Jake's not sure he really wants to be a member of E-Branch, the supersecret ESP-powered organization that's dedicated to eradicating the vampire infestation of Earth. To the freewheeling, passionate Jake, the E-Branchers seem a little stuffy and hidebound--except for the lovely Liz, whom Jake wants to get to know better, body and mind. But Liz is a telepath, and if Jake's not careful, she'll find out about Korath. And that will likely be the end of Jake Cutter.

In Australia, Jake helped E-Branch destroy the aerie of the mind-master , Nephtam Malinari, one of a trio of Great Vampires who came to Earth from the vampire world. Malinari escaped and went to ground with the hideously beautiful Lady Vavara. Vavara has taken over a holy monastery on a beautiful Greek island and turned the nuns into most unholy creature with fearsome appetites for all things carnal.

Jake wants revenge against the Italian mobsters who killed the woman he loved and nearly killed him. As far as he's concerned, E-Branch can search for Malinari, Vavara, and the metamorphic Lord Szwart without him until he's satisfied his own bloodlust. But it seems vampire hunting is truly Jake's job now--the men he's trying to kill aren't men at all, but vampire spawn, hidden for two generations in human guise! To defeat them, Jake will need every weapon in a Necroscope's arsenal, including the power to all the unsleeping dead out of their moldering graves.

From reader reviews:

Steven Clayton:

Book will be written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading expertise was fluently. A e-book Necroscope: Defilers will make you to become smarter. You can feel a lot more confidence if you can know about anything. But some of you think that will open or reading a book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you seeking best book or ideal book with you?

Gracie Thomas:

What do you concerning book? It is not important along with you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? All people has many questions above. They need to answer that question simply because just their can do in which. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this particular Necroscope: Defilers to read.

Paul Gay:

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The actual Necroscope: Defilers is kind of guide which is giving the reader capricious experience.

Dale Vaught:

Beside that Necroscope: Defilers in your phone, it could give you a way to get closer to the new knowledge or information. The information and the knowledge you are going to got here is fresh from your oven so don't always be worry if you feel like an aged people live in narrow small town. It is good thing to have Necroscope: Defilers because this book offers for your requirements readable information. Do you at times have book but you would not get what it's about. Oh come on, that won't happen if you have this in the hand. The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss the idea? Find this book and read it from at this point!
