Results May Vary: A Novel Bethany Chase

From Bethany Chase—whom bestselling author Emily Giffin calls “a great new voice in fiction”—comes a wise and delightfully relatable novel about a woman’s journey to rebuild her life, and her heart, after a stunning betrayal.

Can you ever really know the person you love?

She never saw it coming. Without even a shiver of suspicion to warn her, Caroline Hammond discovers that her husband is having an affair with a man—a revelation that forces her to question their entire history together, from their early days as high school sweethearts through their ten years as a happily married couple. In her now upside-down world, Caroline begins envisioning her life without the relationship that has defined it: the loneliness of being an “I” instead of a “we”; the rekindled yet tenuous closeness with her younger sister; and the unexpected—and potentially disastrous—attraction she can’t get off her mind. Caroline always thought she knew her own love story, but as her husband’s other secrets emerge, she must decide whether that story’s ending will mean forgiving the man she’s loved for half her life, or facing her future without him.

Compassionate and uplifting, *Results May Vary* is a bittersweet celebration of the heart’s ability to turn unexpected troubles into extraordinary strength.

Praise for Bethany Chase’s *The One That Got Away*

“An authentic and warm voice infuses this story of humor, heartbreak, and home.”—**Patti Callahan Henry, author of *And Then I Found You***

“This perfectly paced story is full of fresh, engaging characters.”—**Marisa de los Santos, author of *Falling Together***
