Wooden Boatbuilding (The Adlard Coles Classic Boat series) Jean-Francois Garry

The inaugural title in our exclusive new series of books about traditional boats and traditional seamanship. Wooden boats didn't disappear with the invention of GRP. Building them is a classic craft that attracts people with a keen interest in traditional boats and is a thriving activity among professional craftsmen and DIY boat builders alike. This thoroughly modern book aimed at the novice builder and accessible to the amateur takes a fresh new approach to a timeless activity. The focus is on classic boat construction and restoration, but at all stages modern methods, materials and techniques are employed, together with step-by-step diagrams and explanations.

Well illustrated with color photos and detailed close-up watercolor illustrations, this book will be invaluable for students of boat design and construction, do-it-yourself boat builders and even model makers.
