Vivian Cooper and Reese DiGiovanni have hated each other since the second grade. Too bad Reese's twin brother, Ryan, is Cooper's best friend.

Cooper and Ryan will do anything for each other, even when it's illegal, suicidal, or just plain stupid. Which is why, when Cooper and the twins stumble upon millions of dollars in gold bars, they take it and head for Las Vegas. Soon they find themselves running from some very angry and very organized criminals. Which turns out to be not nearly as sexy as it looks in the movies.

Even if they manage to survive the pissed off guys who are chasing them, Cooper and Reese might kill each other for the hell of it. Or hook up. It really could go either way.

First in the Dirty Trilogy.
