## **The Colin Cheong Collection** Colin Cheong

Prolific writer Colin Cheong brings together three classic novellas and 23 short stories in this first-ever collection. Written in the 1990s, each story reflects his prowess as a storyteller. He is known for his sensitive and skillful articulation of some universal human themes — the pain of rejected love, the frustration and anticipation of being ‘almost adult’, the rites of passage to adulthood, and man’s need for woman.
