"If you have always wanted to write your own book, but struggled to find the process that you need to get those words out in a way that will reinforce your authority and expertise as an entrepreneur, Book Blueprint will go a long way to helping you achieve your dream."

-Andrew Griffiths, Australia's #1 Small Business and Entrepreneurial Author

There has never been a better time to write a book to boost your business.

The barriers to publishing have never been lower, with more professionals than ever before offering to transform a computer document into a paperback.

But there's a catch... Simply having a book isn't enough to transform your business. It needs to be a good book.

In Book Blueprint you'll discover how to write a book that cements your authority and leads to the media, speaking and partnership opportunities you've always dreamed of. Through Jacqui's step-by-step Book Blueprint process you'll learn:

- The three keys to a bestselling book idea
- The five entrepreneurial book types, and which is right for you
- Three simple questions that form the backbone of every chapter
- How to find and choose the right content
- How to engage your readers by putting your personality on the page

Based on over eight years of professional writing and editing experience and working with close to 100 entrepreneurs on their books, Book Blueprint will teach you the ultimate formula for writing an awesome book, fast!
