Demonizing a President: The "Foreignization" of Barack Obama Martin Parlett

This groundbreaking political exposé scrutinizes the motivations behind the unparalleled attacks on President Barack Obama that attempt to undermine his eligibility to lead the country.

- Analyzes the tactics used by political adversaries to undermine the presidency
- Considers the mass of literature and filmography which proliferates narratives of the president's foreignization and offers a counter-position
- Examines the rhetorical frames and motivations of Obama's foreignization
- Provides insight into the motivations surrounding Obama-era conspiracy theories, such as the Birther movement
- Underlines the post-20th century emergence and maintenance of an increasingly polarized electoral climate
