Alberto Edefonti, Marina Picca, Enrico Verrina, Giovanni Montini

Manuale di Nefrologia Pediatrica (Italian Edition) Alberto Edefonti, Marina Picca, Enrico Verrina, Giovanni Montini

Il Manuale di Nefrologia Pediatrica costituisce, nel suo campo, il primo esempio, in Italia, di un testo a carattere clinico e pratico, mirato a dare risposta ai più comuni problemi nefro-urologici che il Pediatra di Famiglia, il Pediatra Ospedaliero e gli Specializzandi in Pediatria si trovano ad affrontare nella loro pratica quotidiana.

L'impostazione del Manuale comprende un'ampia parte dedicata alla semeiotica renale, un approccio, ove possibile, per quadri clinici più che per malattie, con casi clinici esemplificativi, che illustrano i principali percorsi diagnostico-terapeutici, e infine box riassuntivi e flow-charts, che sottolineano le informazioni più rilevanti e guidano nelle decisioni della pratica clinica.

Tutti i classici argomenti di nefrologia pediatrica trovano spazio nel volume e la presenza tra gli autori di Pediatri Nefrologi e di Pediatri di Famiglia contribuisce in maniera determinante a configurare un testo di agile lettura e comoda consultazione.
