## **Remember No More** Pamela Carrington Reid

When Kiri Karaitiana returns to her native New Zealand, there is little about her future that has any certainty. Dark secrets line her past, and a serious illness forces her to accept the assistance of Dan Harvey—a stranger in her new ward. As she finds herself becoming closer to Dan, Kiri wonders if she will ever be worthy of the love of a good man. The last thing Dan wants is a serious relationship right now. But the beautiful, complex Kiri enters his carefully constructed world, and he can't refuse his growing feelings for her. When Dan learns of Kiri's secrets, he realizes that together they must confront her past or their relationship will be forever torn apart. In a novel as memorable and dramatic as the New Zealand landscape, Pamela Reid has crafted a tender story of two souls who struggle to find ultimate redemption through forgiveness, acceptance, and the power of true love.
