The Buffalo Head

R. M. Patterson

The Buffalo Head R. M. Patterson

The wildest, loveliest and least-travelled region of Alberta was R.M. Patterson's home territory in the 1930s and '40s. The Buffalo Head ranch was located in the foothills of the majestic Canadian Rockies. With the mountains as a backdrop, this dude ranch hosted visitors from around the world. Patterson bought it from its founder, a wild Italian named George Pocaterra, and explored the steep valleys and high mountain passes. Patterson's tales of the ranch in *The Buffalo Head* culminate with a fantastic story of meeting a growling grizzly while crossing the Continental Divide in an October snowstorm.

From reader reviews:

James Benavidez:

With other case, little people like to read book The Buffalo Head. You can choose the best book if you'd prefer reading a book. Providing we know about how is important some sort of book The Buffalo Head. You can add understanding and of course you can around the world by the book. Absolutely right, mainly because from book you can understand everything! From your country until finally foreign or abroad you will find yourself known. About simple point until wonderful thing you are able to know that. In this era, you can open a book or maybe searching by internet system. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's learn.

Jerrod Spicher:

As people who live in often the modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and progress. Some of you maybe will probably update themselves by looking at books. It is a good choice for you but the problems coming to anyone is you don't know what kind you should start with. This The Buffalo Head is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Sharon Bedgood:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this The Buffalo Head.

Mildred Olsen:

Is it a person who having spare time after that spend it whole day through watching television programs or just lying on the bed? Do you need something new? This The Buffalo Head can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these books have than the others?
