The fifth book in the "Virtual Pose" series is the only book of its kind to feature two models posed in contemporary and classical themes. Professional artists and students alike will enjoy this book because the PC/MAC compatible CD-ROM makes studying the figure easy and convenient. Each of the 35 full-figured poses can be rotated 360 degrees for a total 1,260 views. Each full-colour view can be zoomed in on for detailed shots. This is great for painters, sculptors and other artists looking to master the human figure - an artistic tradition that is still alive today. Model combinations vary to include all options: male/female, male/male, and female/female.
